

CULTURAL ACTIVITIES

The Universidad Politécnica de Madrid organises numerous reasonably priced cultural activities for all UPM students, including exchange students.

The Cultural Service (Aula de Cultura) organises courses of all kinds: diction and public speaking, Latin dancing, drawing and painting, creative writing, ukele and guitar playing and so on. Courses are held twice during the academic year from October to December and from March to June.

Every year the UPM holds its highly successful theatre festival, when the university's 11 theatre groups put on more than 20 plays, including comedy, drama, theatre of the absurd and musicals.

Performances are attended by more than 6500 spectators, and all interested students may take part.

Another annual event is the UPM Cinema Showcase (Jornadas de Cine), which has a different theme every year: gender equality, crime in cinema, etc. Students who attend the showcase are awarded ECTS credits. International students who would like to take part in any of these activities should enquire at the Student Services and University Extension Office:
